End of Sale and End of Life for Viz World Classic (Viz Curious Maps)

Vizrt on 10 August 2021 announces the end-of-sale and end-of-life for Viz World Classic (Viz Curious Maps) application (all product versions). The last day to order Viz World Classic (Viz Curious Maps) will be 30th of November 2021.

(Revision 2 May 2024)

We are postponing the end of life to Q1 2026 as Product is working on developing an entirely new maps solution which will be called Viz Maps.

Vizrt constantly strives to deliver the best solutions to our customers, and Viz World is an important part of this strategy. We want to ensure that customers still have a maps solution while this development is taking place, hence the extension. We expect to have the new version available for customers in 2025 and continue to provide the most popular maps solution in the industry.
