End of Sale Announcement – Viz Verdi

End of Sale and End of Life for Viz Verdi version 1.0.1 and all older versions

Updated: 10th of June 2021

Vizrt announces the end-of-sale and end-of-life for Viz Verdi version 1.0.1 and all older versions. The last day to order Viz Verdi is 30th of September 2021. Customers with active support and maintenance contracts will continue to receive support from Vizrt until 30th of September 2023. Special customer agreements may supersede this notice.

Table 1 describes the end-of-life milestones, definitions and dates. Table 2 lists the affected products and items.

Table 1. End-of-Life Milestones and Dates for Viz Verdi

Milestone	Definition	Date
End-of-Sale Date	The last date to order the product as part of a purchase order from Vizrt. The product is no longer for sale after this date.	30th of September, 2021
End of Software Maintenance Releases Date	The last date that Vizrt may release any final software maintenance releases or bug fixes. After this date, Vizrt will no longer develop, repair, maintain, or test the product software.	30th of September, 2023
End of New Service Attachment Date	For equipment and software that is not covered by a Support and Maintenance contract, this is the last date to order a new service-and-support contract or add the equipment or software to an existing service-and-support contract.	30th of September, 2022
End of Service Contract Renewal Date	The last date to extend or renew a Support and Maintenance contract for the product. The extension or renewal period cannot extend beyond the last date of support.	30th of September, 2022
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	30th of September, 2023
